### Work Party Contribution

Cooperative and generous volunteer efforts make the garden great. Gardeners are asked to contribute at least 4 hours of work per season. Work parties are scheduled by the garden manager throughout the season to care for communal areas of the garden. For those not wanting or able to participate, a \$20 contribution to the garden can be made in lieu of work hours.

- I will commit to working 4hrs at work parties during the 2016 garden season  
 I cannot commit to work party participation, and will contribute \$20 in lieu

### Check the appropriate items:

- I am a senior citizen  
 I am physically challenged  
 My current residence does not allow the opportunity for garden space

## Guidelines and Rules

In order to become the caretaker of a garden plot at the CAN Grow Community Garden, the adopter must agree to follow these guidelines:

- I will pay a fee of [**Downtown:** \$40 for a full garden bed and \$20 for a half, OR **Garibaldi:** \$30 for a full garden bed] to help cover garden expenses. This fee is applied annually and is non-refundable upon acceptance and initiation of the garden season in March 2017.
- Returning adopters who did not pay the \$20 community upkeep fee or work for 4 hrs during the previous session must pay the outstanding \$20 in order to continue plot adoption.
- Applications and outstanding fees are due on February 1<sup>st</sup>.
- I support the garden's initiative to be non-attractive to wildlife. I will not improperly dispose of any kitchen waste onsite.
- I will plant only edible plants.
- If I must abandon my plot for any reason, I will notify the Garden Manager as soon as possible.
- I am willing to attend at least 4 hours of work part time during the season. If this is not compatible with my schedule, I will pay \$20 additional dollars to help cover garden upkeep expenses.
- I will keep weeds at a minimum and maintain the areas immediately surrounding my plot. If my plot becomes unkempt, I understand I will be given two weeks' notice to clean it up. After that time, the plot will be re-assigned or tilled in.
- I will keep trash and litter out of the plot, as well as from the adjacent pathways and fences.
- I will not plant tall crops where they may shade neighbouring plots.
- I will pick only my own crops unless given permission by another plot user.
- I will not use chemical fertilizers, insecticides, or weed repellents. If there is any uncertainty about a particular "organic" fertilizer, please contact the Garden Manager.
- I understand that pets are prohibited from the garden space. There is a designated zone that dogs may be tied up within.

I have read the above and understand that if the requirements are not met, it may influence the continuation of present adoption and probability of future plot adoption.

I understand that neither the garden group nor owners of the land are responsible for my actions. I THEREFORE AGREE TO HOLD HARMLESS Squamish CAN AND OWNERS OF THE LAND FOR ANY LIABILITY, DAMAGE, LOSS OR CLAIM THAT OCCURS IN CONNECTION WITH USE OF THE GARDEN BY ME OR ANY OF MY GUESTS.

If you face financial obstacles that limit your ability to make the one-time payment for plot adoption, please contact the Garden Manager at [cangrowgarden@gmail.com](mailto:cangrowgarden@gmail.com) or [garibaldicangrow@gmail.com](mailto:garibaldicangrow@gmail.com).
